

**Wayne Barratt
Managing Director
W Barratt Contractors Limited**

**Community Liaison Officer of the Black
Country Constructing Excellence Club**

Since leaving Art & Design College in Kent, Wayne has worked in the construction industry for over 27 years during this time he has obtained a broad knowledge of all trades within the industry.

He is a dedicated business owner and carries out projects from concept to full end. He prides himself on ensuring that he is knowledgeable of using new materials in the market place so that he is able to offer quality and best practice to his clients.

Wayne's aim is to offer an economical, high quality service and develop close and constructive working relationships between organisations, in order to exceed the expectations of his clients, whom he offers a variety of services with a flexible approach and professional values.

In 2007, Wayne became the Community Liaison Officer of the Black Country Constructing Excellence Club helping with the arrangements for the annual Founding Event.
