

ROY CASEY
BSc (Hons) CEng FCIBSE

Chairperson of the Black Country Constructing Excellence Club

Chairperson of the National Clubs Steering Group

Director of Success Train Ltd

Board Member of Constructing Excellence

Roy has worked with the construction industry for 40 years, having commenced work as a design engineering apprentice with a national Contractor. The majority of Roy's years have been spent with national and international Consulting Engineers working both in the UK and overseas. He was formerly the Continuous Improvement Director for an international M&E Consultancy. More lately in 2009 he joined Success Train Ltd, offering training, coaching, business risk assessment & management, business process engineering and business/people improvement. He has been responsible for delivery of a large volume of training and support programmes for WMCCE including the Sandwell MBC initiated Construction Commitments Awareness courses.

In 2001 Roy organized the inaugural meeting of the City & East London Best Practice Club which became the London Constructing Excellence Club in 2004. He served as an officer of that club until the end of 2007. In 2007 Roy also became Chairperson of the Black Country Constructing Excellence Club, which has been very successful.

In October 2009 Roy was elected Chairman of the National Clubs Steering Group. In October 2010 he was appointed as a member of the board of management for Constructing Excellence.

Roy has been a judge of the London & South East Constructing Excellence Awards in 2007 and 2008, and the Constructing Excellence National Awards in 2009 and 2010. His company has also sponsored the national award for Leadership & Development in 2009 and 2010.
