

**STEVE PERKINS**  
**ACIOB**

**Press & Advertising Officer of the Black Country  
Constructing Excellence Club.**

**Assistant Director, ATC Stourbridge College**

Steve has worked in the construction industry for over 30 years, having commenced work as a time served Carpenter & Joiner and then progressing on to Trainee Site manager, Site Agent and Contracts Manager for different Black Country SME's. The last 8 years have seen Steve working in the construction education sector, carrying out community self build projects, and teaching on the National Certificate, Higher National Certificate and the Chartered Institute of Building programme's. Steve is currently studying at Wolverhampton University on CAD & Construction, looking at virtual reality simulations and has a keen interest in Sustainable Development. In March 2007 Steve became Press & Advertising Officer of the Black Country Constructing Excellence Club.
